

PROFESSIONAL SUMMARY

Skilled Web Developer, focused on delivering comprehensive web solutions, to bring innovative, high-quality digital experiences.

EMPLOYMENT HISTORY

JUN 2022 - PRESENT

Web Developer, IT Lasso Inc., Canton, OH

Responsible for creating and maintaining websites for clients, ensuring they are functional, user-friendly, and visually appealing.

Managing content on client websites using CMS platforms.

Providing technical support to clients, and resolving issues related to web applications and computer systems.

Working with team members to deliver projects on time, coordinating with designers, and developers.

APR 2023 - FEB 2024

Web Developer | Project Manager, Crossbridge Marketing & Media, Orrville, OH

Designing, developing, and maintaining websites and web applications.

Implementing responsive design to ensure websites function well on all devices.

Managing web development projects from inception to completion.

Coordinating with clients to gather requirements and provide updates.

Ensuring content is optimized for search engines (SEO).

Working with designers, developers, and other stakeholders to deliver high-quality projects.

Participating in team meetings and contributing to project planning and strategy.

EDUCATION

JAN 2020 - DEC 2022

Associates of Applied Business | Web Design & Development, Stark State College, North Canton, OH

ADDITIONAL INFORMATION

PROJECTS

E-COMMERCE APPLICATION

Full-Stack MERN Project

- Developed a full-stack e-commerce application using MongoDB, Express, React, and Node.js.
- The project included setting up a Node.js and Express backend, MongoDB for the database, and a React frontend.
- Implemented features like user authentication, product management, and shopping cart functionalities.
